FREEBALLIN™ AFFILIATE PROGRAM TERMS

These Affiliate Program Terms apply to participation in the FREEBALLIN™ Affiliate Program operated by Freeballin Pty Ltd (ABN 70 696 547 538) ("FREEBALLIN™", "we", "us", or "our").

By joining or participating in the FREEBALLIN™ Affiliate Program, you agree to these Terms.

You must be at least 18 years of age to apply for or participate in the FREEBALLIN™ Affiliate Program.

1. PARTICIPATION

Participation in the FREEBALLIN™ Affiliate Program is at FREEBALLIN™'s discretion.

You must provide accurate information when registering and are responsible for maintaining the accuracy of your affiliate account information.

Participation does not create any employment, partnership, joint venture, agency, financial advisory or representative relationship between you and FREEBALLIN™.

You have no authority to make commitments, representations or agreements on behalf of FREEBALLIN™.

Participation does not guarantee any minimum number of referrals, sales, commissions, discounts, promotional benefits or income.

FREEBALLIN™ may approve, decline, suspend or discontinue participation in the Affiliate Program at its discretion, subject to these Terms and applicable law.

2. AFFILIATE LINKS, CAMPAIGNS, DISCOUNTS AND TRACKING

Approved affiliates may receive a unique affiliate link, referral mechanism or other approved method of attribution through the FREEBALLIN™ affiliate platform.

Affiliate referrals and commissions are tracked through the affiliate platform and are subject to its tracking and attribution functionality.

FREEBALLIN™ may establish different affiliate campaigns, promotional offers or commercial arrangements from time to time.

These may include:

- customer discounts;

Participation in one campaign or offer does not create an entitlement to participate in another campaign or receive the same commission, discount, pricing or benefits offered under another arrangement.

Unless expressly stated otherwise by FREEBALLIN™, a customer discount or promotional benefit is separate from the commission payable to an affiliate.

Campaign-specific commission rates, discounts, eligibility requirements, products, durations and other conditions may be communicated separately through the affiliate platform, website, email or other approved communication.

You must not advertise or represent a campaign, discount or promotional benefit as current or available after it has expired, been withdrawn or where you are not authorised to promote it.

You must not manipulate affiliate tracking, create fraudulent referrals, interfere with attribution, use cookie stuffing or otherwise attempt to obtain commissions that have not been legitimately earned.

FREEBALLIN™ does not guarantee that affiliate tracking or third-party tracking services will operate continuously or without error.

FREEBALLIN™ Trade Manager

The FREEBALLIN™ Trade Manager is a manual, trader-configured trade-management tool for discretionary traders using TradingView.

The trader chooses the market and direction, configures the entry, position settings, stop, take-profit levels and applicable trade-management parameters, and confirms and initiates the trade workflow.

YOU CHOOSE. YOU CONFIGURE. YOU INITIATE.

FREEBALLIN™ may apply calculations and trade-management functions according to the trader's selected and predefined configuration.

Where enabled, configurable TradingView alerts may communicate information corresponding with the trader's configured trade and applicable trade-management events to compatible third-party services.

The FREEBALLIN™ Trade Manager does not independently select trades, predict market direction, generate buy or sell signals, recommend trades or independently initiate trades.

FREEBALLIN™ Toolkit

The FREEBALLIN™ Toolkit is a configurable charting and trader-tools product for TradingView.

The trader chooses the configuration and the Toolkit displays the selected charting tools and information.

The Toolkit does not independently select trades, predict market direction, recommend trades, initiate or manage positions, or transmit broker instructions.

Where standard TradingView alerts are available in connection with Toolkit functionality, those alerts may notify the trader of the applicable configured event or condition. They do not independently initiate or manage a trade.

Other FREEBALLIN™ Products

FREEBALLIN™ may develop, release or promote other trading technology products from time to time, including separately developed automated trading products or systems.

Any such product must be represented according to its own published functionality, terms, product information and applicable risk disclosures.

- imply that use of FREEBALLIN™ will guarantee or produce profitability or financial performance; or
- make claims concerning FREEBALLIN™ that cannot reasonably be substantiated.

Unless appropriately licensed or authorised to do so, affiliates must not provide financial product advice, make recommendations or statements of opinion intended to influence a person to acquire, dispose of or trade a financial product, or otherwise provide financial services in connection with their promotion of FREEBALLIN™.

Affiliates remain solely responsible for ensuring that their own activities comply with any licensing, regulatory or other legal requirements applicable to them.

5. AFFILIATE DISCLOSURE

Every affiliate promotion containing an affiliate link, referral code or other commission-generating mechanism must clearly disclose the affiliate's commercial relationship with FREEBALLIN™ where required by applicable law or advertising standards.

The disclosure must be clear, readily noticeable and presented in a manner appropriate to the promotional medium.

It must not be deliberately obscured or presented in a manner likely to mislead users about the affiliate's commercial relationship with FREEBALLIN™.

Affiliates must use the FREEBALLIN™ Approved Affiliate Disclaimer specified in Section 20 of these Terms.

6. FREEBALLIN™ BRAND AND CONTENT

FREEBALLIN™ names, trademarks, logos, graphics, videos, software imagery, product screenshots, marketing materials and other brand assets remain the property of FREEBALLIN™ or their respective owners.

Approved materials may be used solely for the purpose of promoting FREEBALLIN™ while you participate in the Affiliate Program.

12 October 2026

You must not represent or imply that you own, operate or officially represent FREEBALLIN™, or that you are an employee, agent, financial adviser or authorised financial representative of FREEBALLIN™.

You must not register or use domains, business names, social-media accounts, usernames, profiles or other identities that impersonate FREEBALLIN™ or could reasonably be confused with an official FREEBALLIN™ channel.

Any goodwill arising from your authorised use of FREEBALLIN™ branding remains for the benefit of FREEBALLIN™.

7. PAID ADVERTISING AND PROHIBITED PROMOTION

Unless FREEBALLIN™ provides prior written approval, affiliates must not purchase or run paid search or other paid advertising using:

- FREEBALLIN™;
- FREEBALLIN™ trademarks or product names;
- misspellings or variations of FREEBALLIN™; or
- words or terms confusingly similar to FREEBALLIN™ branding.

Affiliates must not use spam, unsolicited mass messaging, deceptive advertising, misleading redirects, cookie stuffing, false identities, fraudulent traffic or other abusive promotional methods.

Affiliates must not use promotional methods that could reasonably damage the reputation of FREEBALLIN™ or mislead a person about the source, nature or purpose of the promotion.

8. COMPLIANCE AND MONITORING

FREEBALLIN™ may review affiliate promotions relating to FREEBALLIN™ at any time.

Upon request, an affiliate must promptly amend, correct or remove promotional content that FREEBALLIN™ reasonably considers:

- an unauthorised use of FREEBALLIN™ intellectual property; or
- materially harmful to FREEBALLIN™, its brand or its customers.

FREEBALLIN™ may provide approved marketing materials, product descriptions, disclosures, claims and promotional guidance from time to time.

Affiliates must comply with reasonable promotional, brand and compliance directions issued by FREEBALLIN™ in connection with the Affiliate Program.

Failure to comply with a direction may result in suspension or termination from the Affiliate Program.

9. COMMISSIONS AND CAMPAIGN ARRANGEMENTS

Commission rates, attribution arrangements, validation periods and payment conditions are those specified by FREEBALLIN™ for the applicable affiliate or campaign.

Different affiliates, partners, membership groups or campaigns may be offered different commission structures, customer discounts, promotional benefits or commercial arrangements at FREEBALLIN™'s discretion.

An arrangement offered to one affiliate, partner, community or membership group does not create an entitlement for another participant to receive the same arrangement.

Commissions are payable only on eligible, successfully completed transactions attributed to your affiliate account in accordance with the applicable campaign and affiliate tracking arrangements.

A commission does not become finally payable merely because it appears as pending, attributed or otherwise recorded within the affiliate platform.

No commission becomes finally payable until it has satisfied FREEBALLIN™'s applicable validation and holding period and is designated as payable under the Affiliate Program.

Commissions may be withheld, cancelled or reversed where a transaction is:

- refunded;
- reversed;
- charged back;
- fraudulent;

Changes will apply prospectively unless otherwise stated.

Affiliates are responsible for any taxes, duties, reporting obligations or other liabilities arising from commissions paid to them.

FREEBALLIN™ | AFFILIATE PROGRAM TERMS

12 October 2026

Specific commercial conditions may be documented in a separate Affiliate Program Schedule, Special Affiliate Agreement, campaign offer or other written arrangement approved by FREEBALLIN™.

A separate arrangement becomes effective only when accepted or approved by FREEBALLIN™ and the participating affiliate through an authorised written or electronic process.

Where a separate arrangement expressly identifies a provision that differs from these Affiliate Program Terms, the specific provision of that arrangement will prevail to the extent of the inconsistency.

All other provisions of these Affiliate Program Terms continue to apply.

No separate arrangement overrides FREEBALLIN™'s product representations, intellectual property protections, advertising compliance requirements, financial and trading risk disclosures or applicable legal obligations unless expressly permitted by law and authorised in writing by FREEBALLIN™.

FREEBALLIN™ is not required to offer equivalent terms, commissions, discounts or promotional benefits to other affiliates.

Participation in a special program does not create an entitlement to participate in any other program or to receive benefits offered under another arrangement.

Where a special program or commercial arrangement establishes a fixed duration, commission entitlement or amendment procedure, those conditions will apply in accordance with the relevant agreement, subject to applicable law.

10. SELF-REFERRALS

Unless expressly approved in writing by FREEBALLIN™, affiliates may not earn commissions on their own purchases.

Affiliates must not create or use affiliate accounts primarily to obtain discounts, commissions or other benefits for themselves or related accounts.

FREEBALLIN™ may void commissions that it reasonably determines arose from an unauthorised self-referral or manipulation of the Affiliate Program.

11. REFUNDS, CHARGEBACKS AND FRAUD

Where a customer transaction is refunded, reversed or subject to a chargeback, any associated affiliate commission may be cancelled, withheld or deducted from future affiliate payments.

FREEBALLIN™ | AFFILIATE PROGRAM TERMS

12 October 2026

FREEBALLIN™ may withhold payment while reasonably investigating suspected fraud, abuse, manipulation or breach of these Terms.

FREEBALLIN™ may permanently cancel commissions that are reasonably determined to have arisen from fraud, deliberate abuse, prohibited self-referral or manipulation of the Affiliate Program.

12. TERMINATION

FREEBALLIN™ may suspend or terminate an affiliate's participation in the Affiliate Program at any time, including where reasonably necessary to administer or protect the Affiliate Program, FREEBALLIN™, its customers or its brand.

This includes, without limitation:

- fraud or suspected fraud;
- misuse or manipulation of the Affiliate Program;
- misleading or deceptive promotion;
- prohibited trading or performance claims;
- failure to provide appropriate affiliate disclosure;
- breach of these Terms;
- misuse of FREEBALLIN™ intellectual property;
- failure to comply with a reasonable FREEBALLIN™ direction; or
- conduct reasonably considered harmful to FREEBALLIN™, its brand or its customers.

Termination does not create any entitlement to future commissions.

Any commission accrued before termination remains subject to validation, refunds, chargebacks, fraud checks and these Terms.

FREEBALLIN™ may withhold or cancel commissions associated with fraud, abuse, prohibited conduct or a breach of these Terms.

Upon termination, you must cease representing yourself as a FREEBALLIN™ affiliate and cease using FREEBALLIN™ promotional materials, trademarks and other brand assets except where otherwise authorised in writing.

FREEBALLIN™ | AFFILIATE PROGRAM TERMS

12 October 2026

Any provisions which by their nature are intended to survive termination, including provisions concerning intellectual property, commissions, liability and governing law, continue to apply.

FREEBALLIN™ may modify, suspend or discontinue the Affiliate Program, commission structures, promotional offers, campaigns, product eligibility or program conditions from time to time.

FREEBALLIN™ may introduce new affiliate arrangements, including product-specific, partner-specific, community, membership or premium-member offers, without making those arrangements generally available to all affiliates.

FREEBALLIN™ may also update these Affiliate Program Terms from time to time.

Where reasonably practicable, material changes will be communicated through the affiliate platform, FREEBALLIN™ website or other available contact details.

Continued participation in the Affiliate Program following an update constitutes acceptance of the updated Terms.

14. THIRD-PARTY SERVICES

The Affiliate Program and FREEBALLIN™ products may rely upon or interact with third-party platforms and services.

These may include affiliate tracking services, payment providers, website services, TradingView, compatible connectivity or webhook services, brokers and other technology providers.

These third parties are independent of FREEBALLIN™ and may operate under their own terms, policies, technical requirements and availability.

FREEBALLIN™ does not control the availability or operation of third-party services and does not guarantee that they will operate continuously, accurately, without interruption or in accordance with any particular affiliate or customer expectation.

Affiliate attribution and tracking may be affected by matters including browser settings, cookies, privacy controls, third-party systems and customer behaviour.

Affiliates must not represent a third-party provider as being owned, operated, controlled or endorsed by FREEBALLIN™, or represent FREEBALLIN™ as being endorsed by a third-party provider, unless that relationship has been expressly confirmed by FREEBALLIN™.
